

***Request of joining Salt & Fire Apostolic and Prophetic Training Center of Higher Learning***

***COVENANT AGREEMENT of the Salt and Fire Apostolic and Prophetic Training Center of Higher Learning***

The purpose of Salt & Fire is to do our part in preparing leaders and saints in the body of Christ for the heavenly conflict in these last days.

Eph 4:11-12 And His gifts were [varied; He Himself appointed and gave men to us] some to be apostles (special messengers), some prophets (inspired preachers and expounders), some evangelists (preachers of the Gospel, traveling missionaries), some pastors (shepherds of His flock) and teachers.

His intention was the perfecting {and} the full equipping of the saints (His consecrated people), [that they should do] the work of ministering toward building up Christ's body (the church)

This training center's primary focus is to equip leaders in apostolic restoration. Why are we the center of Higher Learning? We do not teach you to be a prophet. We do not teach a pastor how to know they are pastor. We do not place anyone with in an office. We train you with in the office you are appointed in.

Hereafter Salt and Fire Apostolic and Prophetic Training Center of Higher Learning will be referred to as S&F.

S&F has adopted this contract in order to provide greater services for (First Name) \_\_\_\_\_ (Last Name) \_\_\_\_\_ which from now on will be referred to as the mentee.

1 Tim 4:8 For physical training is of some value (useful for a little), but godliness (spiritual training) is useful {and} of value in everything {and} in every way, for it holds promise for the

presentlife and also for the life which is to come.

The beginning of prophetic development can be a lonely and confusing time, especially for those who do not have a support network of brothers, sisters, mothers and fathers in the faith. We all need mentors in our lives. Most importantly prophetic people need proper training and mentoring.

Our Mission as Salt & Fire Network is to be a training camp: a place of spiritual strengthening and growth in maturity around seasoned mentors that are willing to pour all that they have within those who want to join.

We want to help you experience the walk that Elisha and Elijah had in the prophetic as mentor and mentee that will lead this generation into a greater of the former as the Prophet Haggai even mentioned. This can be done as we mentor mature relationships one with another.

Now we know we are not a training center for everyone because this connection has to be divine and ordained by Yah (God) Himself. But for those that are led by the Holy Ghost you will receive a double portion of Yah's anointing because of a revelation of mentorship through divinely appointed relationships.

Is Training Biblical in the Second Covenant?

Yes it is.

[Matt 13:52 He said to them, Therefore every teacher {and} interpreter of the Sacred Writings who has been instructed about {and} trained for the kingdom of heaven and has become a disciple is like a householder who brings forth out of his storehouse treasure that is new and \[treasure that is\] old \[the fresh as well as the familiar\].](#)

Here at S&F we mentor, train and equip those on a Higher Learning. We are training the Apostles and Prophets to operate under the Apostolic Heaven agenda.

2 Tim 2:2 And the [instructions] which you have heard from me along with many witnesses, transmit {and} entrust [as a deposit] to reliable {and} faithful men who will be competent {and} qualified to teach others also.

Through S&F you will hear from the directors that have been trained and released to teach men. The directors have been proven to be trustworthy to carry the gospel. They are qualified to each other here at S&F. You will have qualified instructors and Apostles Henry and Tonita Patterson as your mentor.
