We Will Not Leave You there to Die

Mentoring Program- This booklet is just to answer a few questions and help us by pass some of the elementary teachings of the Mentor so we can get started with Higher learning.

What does it means to be MENTORED?

Here at Salt and Fire we are called to restore the WAY and system of God. So when we use such words as mentor we mean them as God intended it to be used. The Word translates from the Greek word ago.

1. to lead, take with one
 - a. to lead by laying hold of, and this way to bring to the point of destination: of an animal
 - b. to lead by accompanying to (into) a place
 - c. to lead with one's self, attach to one's self as an attendant
 - d. to conduct, bring
 - e. to lead away, to a court of justice, magistrate, etc.
 - f. to lead, guide, direct
 - g. to lead through, conduct to: to something
 - h. to move, impel: of forces and influences on the mind

So when we present this program to you we are presenting to you what God desires, TO LEAD YOU, GUIDE Accompany, attach ourselves to you and PROVIDE. We will not just be wasting time but actually EQUIPING you to walk as a True God sent leader. We will take account of this.

It is also translates from the word Account. So it means one that is willing to be accountability of or responsibility of one.

So let us look at what the Bible expects from a mentoring program.

1 Cor 11:1 PATTERN YOURSELVES after me [follow my example], as I imitate {and} follow Christ (the Messiah)

Apostle Paul is our New Testament Example of a Mentor, but we need to see it in the Old Testament.

In the Program we will study what is a Mantle and how that is important in the Life of any God sent leader.

We will also understand what Apostle Paul Ministry was as a Mentor.

In order to be mentored you have to understand that the person have stepped in on your behalf to take account for the equipping of you as God have instructed.

Eph 4:12 His intention was the perfecting {and} the full equipping of the saints (His consecrated people), [that they should do] the work of ministering toward building up Christ's body (the church),

A Mentor understands these 3 words and what they mean in your life. Many have taken these three words and made it to be evil or spirits. But a mentor is sent to do these 3 things in the lives of those they were sent to be accountable for.

So to be mentored it means some one have to be sent with EQUIPMENT to equip you. They have to be able to be strong to

- Capture
- Control
- Perfect

Heb 5:12 For even though by this time you ought to be teaching others, you actually need someone to teach you over again the very first principles of God's Word. You have come to need milk, not solid food.

I want to say it is OKAY to go back and do this thing right. Some one is here to help

What Do I have to do to be mentored?

1 Cor 4:15 After all, though you should have ten thousand teachers (guides to direct you) in Christ, yet you do not have many fathers. For I became your father in Christ Jesus through the glad tidings (the Gospel).

We are making this plan, mentoring is far more than teaching. You can receive teaching any where, but to be birthed into the Gospel, to be mentored means so much more. It takes loyalty, it takes dedication it takes passing down it takes great deal of sacrifice.

To be mentored means you are being brought forth in the womb of a pure Parent. A person that is willing to carry you.

1 Cor 4:17 For this very cause I sent to you Timothy, who is my beloved and trustworthy child in the Lord, who will recall to your minds my methods of proceeding {and} course of conduct {and} way of life in Christ, such as I teach everywhere in each of the churches.

Timothy was mentored by Apostle Paul, Paul did more than teach him. But as a person that is being mentored you have to understand what it means to walk as a person that is being carried.

To be mentored means to listen and learn. To be mentored means to be carried in the Gospel, and allow the one that is accountable to equip you. It is a great deal of humbling.

Growing as being mentored, Means Growing Pains, and changing shape

It is not an easy program; it takes some one that really wants to please God and present their selves as a Living sacrifice for service. It means you have to take you time to get to know those that are pouring into you. You have to be willing to look at them and say I want to imitate their faith and take on their tradition and carry out their order of service.

2 Tim 3:10 Now you have closely observed {and} diligently followed my teaching, conduct, purpose in life, faith, patience, love, steadfastness,

Many run from Mentoring because they run from the fact that means you have to follow a man in order to be **MENTORED** and receive a **MANTEL**

GROWING PAINS is going to be felt on both sides. When one stretch in growing and change shapes it will hurt and be a challenge. When the mentor feels you in their womb they will feel the fight.

To be mentored means to be broken in all error and brought up in Truth. There will be men coming that will try to dazzle you from being mentored and just become a body count.

Gal 4:17 These men [the Judaizing teachers] are zealously trying to dazzle you [paying court to you, making much of you], but their purpose is not honorable {or} worthy {or} for any good. What they want to do is to isolate you [from us who oppose them], so that they may win you over to their side {and} get you to court their favor.

IT IS NOT WHAT YOU KNOW BUT WHO YOU FOLLOW.

Acts 4:13 Now when they saw the boldness {and} unfettered eloquence of Peter and John and perceived that they were unlearned {and} untrained in the schools [common men with no educational advantages], they marveled; and they recognized that they had been with Jesus.

Yet again I want us to understand the importance of FOLLOWING in mentoring. Many look at it as teaching only but it is so much deeper than that. You will know that there is a change in your walk when you follow one that have a mantle been sent, and proven worthy to lead and give birth in the spirit to those that need to be equipped in HIGER learning.

This is not about book knowledge but it is a walk a journey that will prove you are ready for the battle.

Phil 4:9 Practice what you have learned and received and heard and seen in me, {and} model your way of living on it, and the God of peace (of untroubled, undisturbed well-being) will be with you.

I leave you with these QUESTIONS.

1. WHO DO YOU LOOK LIKE? Are you imitating a holy man as Apostle Paul instructed those that He Mentored?
2. What are you practicing?
3. What have you learned and receive and seen in one that you have followed?
4. Are you in the need of a Higher learning?
5. Are you called to a higher learning, ready to teach but see you have never been carried?
6. Did you think it was wrong to look like someone?
7. Where you taught that you never had to be mentored.
8. Did you sit under someone that say do not look at me I might fail you?
9. Where you told to follow Jesus and never follow MAN?
10. Are you ready to give up all for the sake of the call?
11. Do you have a mantle to pass down? If so where did it come from?
12. Are you ready to do this right and have some one to attach their self to you?

We are Here to equip and take you to the next level in true ministry, but we have to understand it is not about US ANY MORE. We have to lay aside all pride all for the sake of the call. Many are sitting under leaders that have nt even qualified and they are preaching a word but have not been sent. If they are not sent then everyone that is listening have NO FAITH. Because fait only comes from hearing the WORD of God preached through a sent preacher.

We want the PROPHETS voice to be HEARD and not laughed at. WE want to equip you to have a sound that will make the WORLD mad. It can be done together.
